

HealthLink instructions for Profile for Mac

Send your Radiology referrals electronically in 3 easy steps!

1

Open the patient record

Click on the 'eForms' icon from the profile for Mac toolbar menu. Search for the patient and click 'OK' to open eForms on the context of the selected patient.

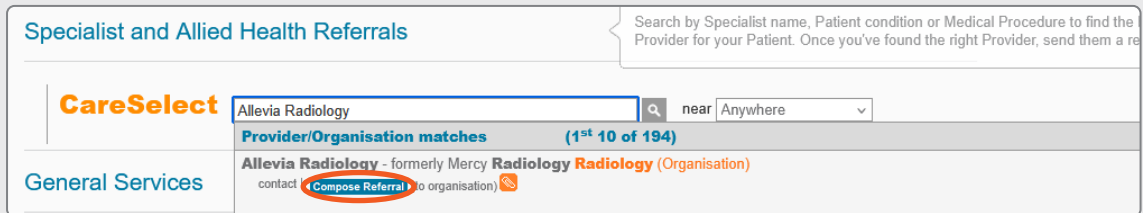

Click on the 'Add' icon on the 'eForms' screen. The HealthLink launch page will display.

2

Launch the e-Referral SmartForm

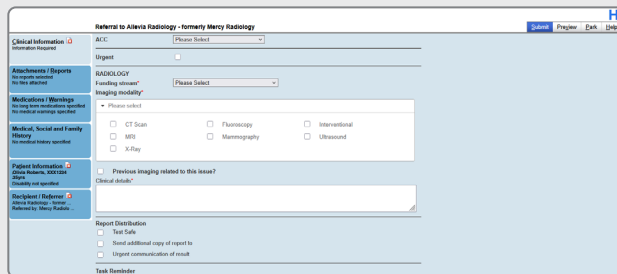

Use the CareSelect search engine to search for the relevant Radiology provider either by name or service required. A list matching the search criteria will be displayed. Click on the 'Compose Referral' button to launch the e-referral SmartForm.

3

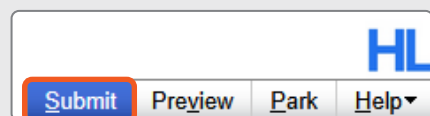

Complete the e-Referral SmartForm

The e-Referral SmartForm will display. Complete the relevant fields under each tab on the left. The form can be parked if you want to work on it later.

Submitting the e-Referral SmartForm

Select the 'Submit' button when you are ready to send your form to the relevant provider. The form will be sent electronically via HealthLink.

Printing the form

Select 'Print' at the end of the submitted form, remembering to select your default printer.

Hints and tips

Profile for Mac

View the organisation contact information and bio:

Click on 'Contact' in the list of providers/services matching the search criteria in CareSelect to view the contact information.

Specialist and Allied Health Referrals

Search by Specialist name, Patient condition or Medical Procedure for your Patient. Once you've found the right Provider.
