SPA NORDIQUE
SAINT-SAUVEUR

Plan your next team outing, happy hour or group activity

Traversed by the rivière à Simon, Strøm Nordic Spa Saint-Sauveur honours the Scandinavian tradition that is already well established in the Laurentians by opening on the site of the first Nordic spa in Québec, inaugurated in the 1960s

The advantage of this spa is its proximity to the river, which makes it easy to transition from the sauna's heat to the river's coolness. Surrounded by mature trees and nestled in one of Québec's most picturesque tourist regions, Strøm Saint-Sauveur offers an immersive relaxing experience that is in harmony with its environment and setting.
