A favourite with guests and locals alike, the hotel is a natural meeting place at the heart of East London.

RESPONSIBLE BUSINESS COMMITMENT

One Hundred Shoreditch is part of Lore Group, a collection of seven independent hotels across London, Amsterdam, New York and Washington DC. While each hotel is rooted in its own neighbourhood, we share a commitment to creating places that have a positive impact on the communities around us. This includes monitoring and reporting ESG metrics through FuturePlus and EcosMart, Numerical Buildings Energy Audits annual audits with PlusCarbon and contributing to Lore Groups global partnership with the Made Blue Foundation and EARNT.

One Hundred Shoreditch is certified with an Energy Performance Certificate (EPC) B-43 energy rating, utilizing gas and electricity. All electricity consumption is renewable, purchased and certified (annually) through a contract with Good Energy.

All utilities are monitored and optimised by a central BMS and the hotel is compliant with UK waste regulations and reporting with Hackney Council. The hotel is audited by AccessAble and Right Rooms ensuring all accessible and wellbeing property features are transparently communicated.

Sustainable events solutions that enable TRACE reporting are available and certifications for water donations for booked rooms nights are available upon request.

COMMUNITY PARTNERSHIPS

MORE HOUSE HOME

Lore Groups London hotels are committed to making a positive change in East London Communities. A hotel should feel like a home away from home — and nowhere embodies that more than One Hundred Shoreditch. Not just looking after guests, but neighbours too. Because when the community thrives, so does the city and so do you.

The hotel teamed up with More House Home, a grassroots organisation helping the socially deprived turn houses into homes. Operating primarily in Tower Hamlets, they provide free or low-cost recycled furniture, appliances, and homeware to those transitioning from homelessness, escaping domestic abuse, or facing severe poverty. 35 volunteers all worked behind the scenes, cleaning up their warehouse, upcycling furniture, and even renovated someone's actual home.

EARN'T

Earnt – Doing good in exchange for great experiences. We love partnering with this next-gen purpose-driven platform that rewards volunteering with exclusive experiences and limited-edition gifts as part of a building up of our own VIP changemakers database.

Our hotels love lots of local charities, but by picking one in need of hands-on support we invite guests and community members to get involved.

From one-off events to ongoing collaborations, it turns conscious action into meaningful connection and we have now completed seven initiatives with EARNT including our most recent

Nature in the City event 'Learn to EARN', hosted in London, UK.

Activations include: working with Trans Pride in DC, preparing and packing meals with the Felix Project, giving an East London community centre a glow-up with One Hundred Shoreditch's team; and by working with De Regenboog Groep, Pulitzer Amsterdam and Kimpton De Witt Amsterdam support those experiencing homelessness. As thanks for their gardening through to painting, volunteers are rewarded with overnights to cocktails.
