

Construction Loans

GROW INTO YOUR VISION

Since 1953, we've been there for churches and ministries when they were ready to grow. And when you are ready to grow, we'll be there to help you choose the right construction loan.

WE HELP YOU MANAGE COSTS

Taking a church building project from the design stage to completion can be an overwhelming task. That's why our team of professionals can provide you with the advice you need to efficiently navigate your project, from initial concept to move-in.

CDF Capital is your partner from start to finish:

- Experience consulting on hundreds of church construction projects
- Help to maximize your investment
- Provide project consulting & management
- Provide construction cost management
