

Pack by Team Order Details

What is Pack by Team?

Pack by Team means the warehouse will package all items ordered for each individual team into separate bags. Each team within every division will be packed separately, allowing league operators to distribute items more efficiently.

This option is available to all league operators participating in **Jr. NBA/Jr. WNBA Leagues, MLS GO, NHL STREET™, and NFL Flag.**

Pack by Team shipping Information

All “Pack by Team” orders require a minimum of four business days for processing and preparation.

Please note: Same-day processing is not available when selecting the Pack by Team option. Expedited shipping may still be added to any order for an additional cost; however, the four-business day processing timeframe will still apply. Below is the shipping timeframes based on order submission time.

- Pack by team **WITHOUT** lettering or customization = 4 business days
- Pack by Team **WITH** lettering/customization = 8 business days.

Pack by Team Cost & Options:

The Pack by Team option is available at \$2.50 per participant. This convenient feature organizes all equipment and uniforms by team, saving you valuable time.
