FEATURES & BENEFITS

- + 6 Main Burners with Rear & Side Burner:** Provides flexible cooking options for grilling, rotisserie cooking, and preparing side dishes simultaneously.
- + 6.21 ft² Total Cooking Area:** Large cooking surface offers plenty of space for family meals, parties, and outdoor entertaining.
- + Infrared Rear Rotisserie Burner (10,000 BTU):** Delivers intense and even infrared heat for juicy rotisserie cooking with crispy, flavorful results.
- + Up to 77,000 BTU Output:** High heat performance allows fast preheating and consistent cooking temperatures for searing and roasting.
- + Interior Halogen Grill Lighting:** Illuminates the cooking area for convenient nighttime grilling and better visibility in low-light conditions.
- + Stainless Steel Warming Rack:** Adds extra space to keep food warm, toast buns, or prepare appetizers while grilling.
- + Complete 304 Stainless Steel Construction:** Premium stainless steel build offers excellent durability, corrosion resistance, and long-lasting outdoor performance.
- + Stainless Steel Cooking Grates:** Heavy-duty grates provide even heat distribution, strong heat retention, and easy maintenance.
- + Folding Side Shelves:** Space-saving design allows the shelves to fold down when not in use, providing extra prep space only when needed.
- + LED Illuminated Control Knobs:** Blue illumination highlights the control knobs, which turn red to indicate when a burner is on, providing clear and stylish feedback during grilling.
