

Product: 24 Inch Backlight Wine Cooler With Left Swing Door
Model Number: TWC24UL-LH

PRODUCT DIMENSIONS

Product Width	23 4/9"
Depth (Including Handles)	25 15/16"
Product Depth	23 7/16"
Product Height	34 1/4"

FEATURES & BENEFITS

- + **ThermoPrecision™ Temperature Management:** Employ the electronic temperature control equipped with an LED digital display to designate temperatures within the 41-64°F range. The wine cooler ensures your chosen setting is achieved and sustained with optimum precision.
- + **Maximum Storage Capacity:** 5.3 cu. ft. holds up to 45 Bordeaux bottles for maximum storage.
- + **LED Interior Light:** Amber LED interior light reduces heat transmission.
- + **Triple Pane Glass:** Triple pane glass with double glazed 'Low-E' coating reduces heat transmission.
- + **Single Temperature Zone:** Store red, white, or sparkling wines at the desired temperature for proper preservation and maximum taste.

TECHNICAL DETAILS

Bottle Storage Capacity	45
Color/Finish	Stainless Steel
Power Voltage	120V
Power Input	80W
Temperature Range	41-64 °F
Amps	0.7
Cooling System	Compressor Cooling
Total Capacity	5.3 cu. ft./ 152 L
Noise Level	42 dB
Door Alarm	Yes
Security Lock	Yes
Net Weight	129 lbs
Gross Weight	153 lbs
