# **THOR 72-Inch Premium 15 Drawer Mobile Workbench – Stainless Steel**

The THOR 72-Inch Premium 15 Drawer Mobile Workbench is built for those who demand more from their workspace. Constructed with reinforced stainless steel and crowned with a thick 1-3/8" rubber wood worktop, it delivers the durability and surface strength serious projects require. 15 spacious drawers glide effortlessly on 100 lb-rated ball-bearing slides, while a single-key locking system keeps every tool secure. Heavy-duty locking casters provide smooth mobility and rock-solid stability, and the pre-assembled design means you're ready to work from day one. This isn't just storage—it's the foundation for productivity at its highest level. #WorkWithoutLimits
