FEATURES & BENEFITS

- Frameless Smooth Glass Cooktop:** Designed to fit a 24-inch countertop space, this electric cooktop features a sleek, frameless glass surface that blends seamlessly with your countertop for a modern look and easy cleaning.
- Four Radiant Heating Elements:** The four-element radiant cooktop provides versatile cooking performance with flexible heat options for different cooking needs. A 1,200W element offers gentle heating for simmering and warming, while the powerful 2,100W element delivers faster heat for boiling, searing, and high-temperature cooking.
- Convection Fan:** Built-in convection fan circulates hot air evenly throughout the oven for faster, more consistent cooking results.
- Oven On Indicator Light:** A convenient indicator light clearly shows when the oven is operating, providing added awareness and ease of use.
- Burner On Indicator Light:** Illuminated surface indicator light clearly shows when a cooktop element is in use or still hot, enhancing safety and providing added peace of mind.
- Heavy-Duty Metal Control Knobs:** Commercial-style metal control knobs offer lasting durability, precision control, and a premium professional appearance.
- 3.7 cu. Ft. Oven Capacity:** 3.7 cu. Ft. oven capacity accommodates multiple dishes, providing ample cooking space while maintaining a compact 24-inch design.
- Brilliant Black Porcelain Interior:** The sleek black porcelain oven interior enhances heat retention while adding a bold, high-end finish to your range.
