FEATURES & BENEFITS

- **Versatile Cooking Surface (6 Burners + Griddle):** Burner outputs range from a powerful 18,000 BTU for rapid boiling and high-heat searing to a gentle 650 BTU simmer for delicate sauces. Multi-burner design offers ultimate flexibility for complex meal preparation.
- **15,000 BTU Stainless Steel Griddle:** Features a integrated, spacious stainless steel griddle delivering even heat distribution—ideal for pancakes, breakfast favorites, searing steaks, and family-sized meals.
- **Optional Blue LED Lighting:** Integrated blue LED lighting illuminates the control panel and knobs for improved visibility in low-light conditions while adding a premium aesthetic.
- **Pro-Style Metal Knobs:** Heavy-duty die-cast metal knobs offer smooth, precise flame control and a durable, premium feel designed for everyday use.
- **Continuous Cast Iron Grates:** Full-width, heavy-duty cast iron grates allow cookware to slide easily between burners without lifting, making it easier to handle large or heavy pots.
- **Porcelain Spill Tray:** Durable porcelain-coated cooktop surface helps contain spills and food residue for quicker cleanup while maintaining a clean, professional appearance.
- **Electronic Spark Ignition:** Automatic electronic spark ignition lights each burner instantly upon turning the knob, eliminating the need for a continuous pilot flame.
- **Interchangeable Hardware Kits:** Available in multiple finish options, allowing you to customize your rangetop to complement your kitchen design and coordinate with your complete Gordon Ramsay collection appliance suite.
