

**Product:** 24inch Built-in Wine Cooler  
**Model Number:** XRF24CWC/ XRF24CWC-SS

### TECHNICAL DETAILS

|                         |                    |
|-------------------------|--------------------|
| Total Capacity          | 12.4 cu. ft.       |
| Bottle Storage Capacity | 100 Bordeaux       |
| Noise Level             | 41 dBA             |
| Watts                   | 150 W              |
| Amperage or Current     | 15 A (Dedicated)   |
| Volts                   | 120 V              |
| Frequency               | 60 Hz              |
| Plug Type               | NEMA 5-15P 3-prong |
| Power Cord Length       | 90-9/16" ( mm)     |
| Energy Consumption      | 252 kWh/year       |
| Lighting                | LED                |

### FEATURES & BENEFITS

- Tri-Temperature Zones (41°F–68°F):** Store red, white, and sparkling wines at the appropriate temperature for proper preservation and maximum taste.
- Maximum Storage Capacity:** Holds up to 100 bottles of Bordeaux for maximum storage offering ample room for a diverse wine selection.
- 13 Beech Wood Shelves Plus a Dedicated Display Shelf:** Stainless steel trim adds a sleek, modern touch, while pull-out racks offer easy access to your prized vintages.
- Full-extension Racks:** Full-extension smooth-glide wine racks allows for easy access to your prized vintage collection - the wood front give the metal racks a sleek, high-end design.
- Interior LED Lighting with 3 Color Options:** Choose from white, blue, or amber to create the perfect ambiance and beautifully showcase your wine collection.
- UV Protection & Frost Control:** Triple-ply glass with argon gas and Low-E coating blocks harmful UV rays and resists frost, preserving wine in perfect conditions.
- Charcoal Filtration System:** An active charcoal filtration system to ensures air purity, cooling efficiency and helps to maintain an odor free cabinet for the storage of your wine.
- Touch Control with White LED Display:** The digital panel allows for precise temperature adjustments at a glance, so your wines are always stored in optimal conditions.
- Sabbath Mode:** While in Sabbath mode, the wine cooler will disable the lights, while normal cooling operations will still take place.

### GENERAL PROPERTIES

|                   |                                      |
|-------------------|--------------------------------------|
| Number Of Shelves | 14                                   |
| Shelf Material    | Beech Wood with Stainless Steel Trim |
| Reversible Door   | Yes                                  |
| Door Alarm        | Yes                                  |
| Air Filter        | Yes                                  |

WARRANTY: 2 YEARS PARTS AND LABOR

#### PRODUCT DIMENSIONS

|  |                              |
|--|------------------------------|
| Product Dimensions (WxDxH)               | 23-3/4 x 23-1/2" x 83-9/16"  |
| Product Depth Excluding Door             | 21-7/8"                      |
| Product Width with Door Open 115 Degrees | 38"                          |
| Product Width with Door Open 90 Degrees  | 28-3/8"                      |
| Product Depth with Door Open 90 Degrees  | 51"                          |
| Cutout Dimensions (WxDxH)                | 24" x 25" x 84"              |
| Package Dimensions (HxWxD)               | 26-2/8" x 26-3/8" x 90-9/16" |
| Net Weight                               | 308 lbs                      |
| Gross Weight                             | 373 lbs                      |

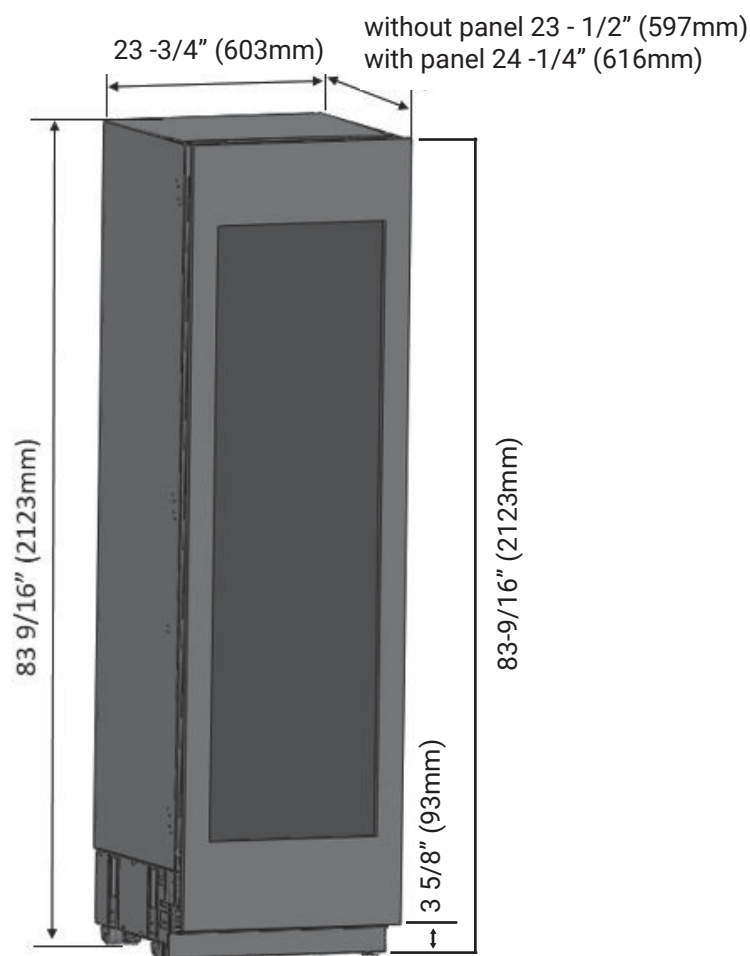

#### STAINLESS STEEL DOOR PANELS WITH PRO HANDLES

|                                |                            |
|--------------------------------|----------------------------|
| Stainless Steel Door Panels    | DKXRF24CWC-SS              |
| Stainless Steel Pro Handles    | HKXRF24CWC                 |
| Fridge Door Dimensions (WxDxH) | 23-3/4" x 3/4" x 79-15/16" |
| Fridge Door Weight             | 24.25 lbs                  |
