FEATURES & BENEFITS

- **Versatile 6-Burner High-Power Cooktop:** Master every meal with total control. From an explosive 18,000 BTU burner for rapid boiling and high-heat searing to an ultra-precise 650 BTU low simmer for delicate sauces, chocolate, or melting butter. Six sealed burners deliver the flexibility to handle multiple heavy-duty dishes simultaneously.
- **Optional Blue LED Lighting:** Turn the integrated blue LED lighting on or off to illuminate the control panel and knobs.The projected glow enhances visibility in low-light conditions and adds a premium, professional look.
- **Pro-Style Die-Cast Knobs:** Heavy-duty die-cast metal knobs offer smooth, precise flame control and a durable, premium feel designed for everyday use..
- **Continuous Cast Iron Grates:** Full-width, heavy-duty cast iron grates allow cookware to slide easily between burners without lifting, making it easier to handle large or heavy pots.
- **Porcelain Spill Tray:** Durable porcelain-coated cooktop surface helps contain spills and food residue for quicker cleanup while maintaining a clean, professional appearance.
- **Automatic Electronic Spark Ignition:** Automatically ignites each burner with a turn of the control knob, providing fast, reliable ignition without the need for a continuously burning pilot flame.
- **Customizable Hardware Kits:** Tailor your rangetop to match your unique style. Choose from multiple hardware finishes to complement your kitchen design and seamlessly pair with your complete Gordon Ramsay Collection appliance suite.
