

# Automate Speaker Email Template

**Subject line:** I'm speaking at Automate 2026! Join me 📧

**Pre-header (if applicable):** Check out my session and register today!

## Customizable email body:

It's an exciting time for automation and anyone working with it! That's why I'm thrilled to join the lineup of amazing Automate 2026 [Conference / Show Theater / Innovation Stage] speakers this year. **Mark your calendars and join me in Chicago, June 22-25!** I'm sharing valuable insights and learnings you don't want to miss!

[SESSION TITLE]

[BRIEF SESSION DESCRIPTION]

[DATE + TIME IF AVAILABLE]

[LOCATION IF AVAILABLE]

**Want more reasons to attend Automate?** There are hundreds of educational sessions like mine featuring industry experts and innovators. You can explore [Automate Conference topic paths and sessions](#) — which require a fee — or attend FREE sessions at the [Automate Show Theater](#) and [Innovation Stage](#). Whatever you choose, Automate is *the* place to get hands-on with the latest automation tech, meet in-house experts like me, and connect with 1,000+ exhibiting companies shaping the future of automation.

Don't miss your opportunity to be part of what's next in automation. [Register for the Automate Show or Conference today!](#)
