

BRING THE HEAT

TAILORING TASTE WITH
CUSTOM CULINARY® INDIAN-STYLE SAUCES

We understand that everyone has their personal preferences when it comes to heat. That's why we take great care in crafting our new lineup of Indian-inspired sauces to cater to a variety of palates. Whether your guests are spicy fans or prefer milder flavors, our versatile sauces are perfect for traditional meals and fusion creations, like tikka masala tacos.

We've created a heat matrix that includes everyday staples like cayenne, red pepper flakes, and sriracha to simplify things. No need for specialty ingredients - use what you already have in your kitchen to control the flavors and costs. Developed and tested by our culinary team, this guide helps ensure effortless exploration.
