

Find a Delta Dental participating dentist

Your Delta Dental plan allows you to visit any dentist you like. You will maximize the value of your dental plan and minimize out-of-pocket costs by choosing a dentist who participates in one of Delta Dental's two networks: Delta Dental PPO™ and Delta Dental Premier®. You'll likely save the most money and receive the highest levels of coverage when you visit a Delta Dental PPO dentist. If you visit a dentist who does not participate in Delta Dental PPO, you can still save money if that dentist participates in Delta Dental Premier.
