

Wireless Accessories

Discover our
innovative lineup.

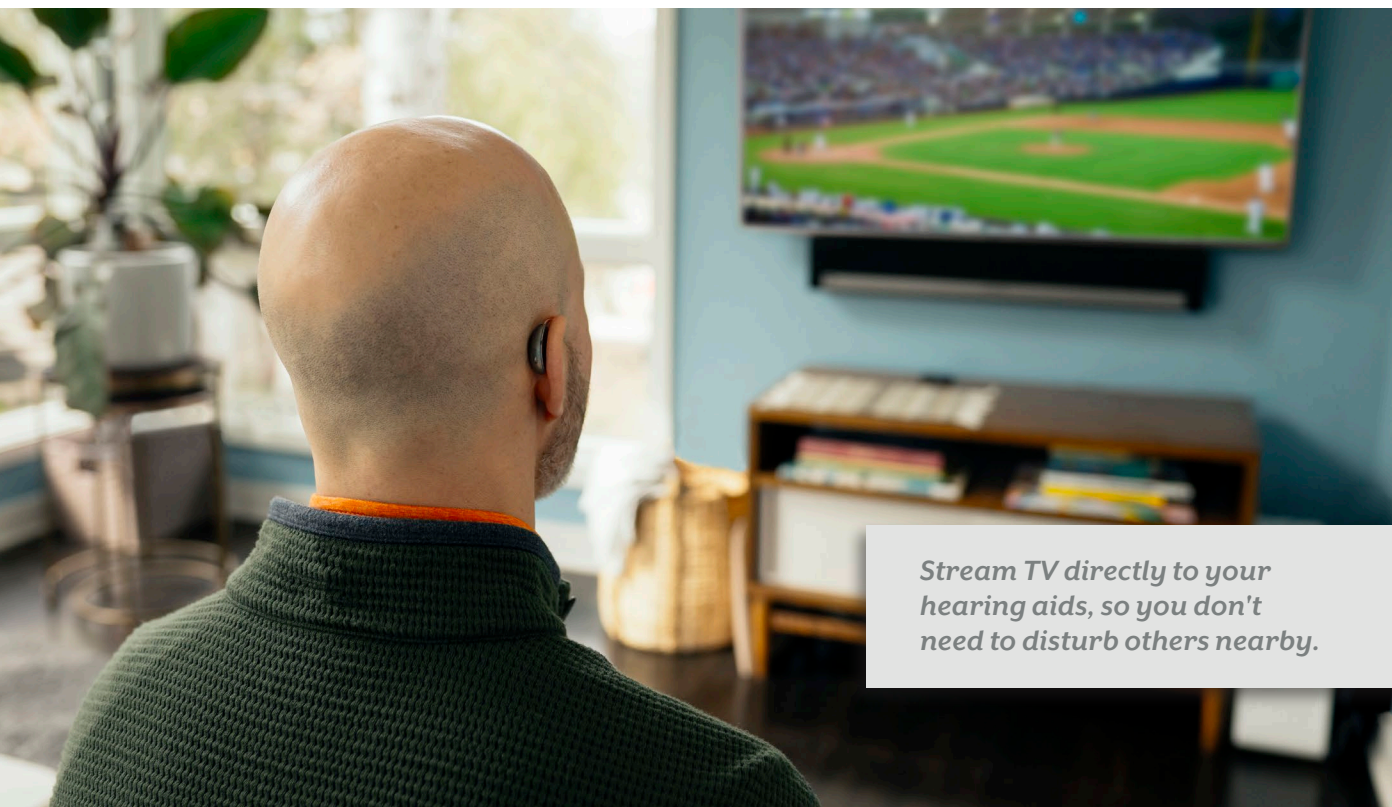

A connected experience is an **expectation.**

Wireless accessories stream the sounds you love directly to your hearing aids.

Our accessories, paired with our wireless hearing aids, connect you to your favorite music, TV shows, and phone calls with superior sound quality.

Enabled with Bluetooth[®] technology, they are easy to pair and even easier to use.

Stream TV directly to your hearing aids, so you don't need to disturb others nearby.

StarLink Edge
Edge TV Streamer

Future-proof and Auracast™ ready, the Edge TV Streamer uses Bluetooth Low Energy (LE) Audio protocol to stream audio straight from a TV to paired LE Audio-enabled hearing aids.

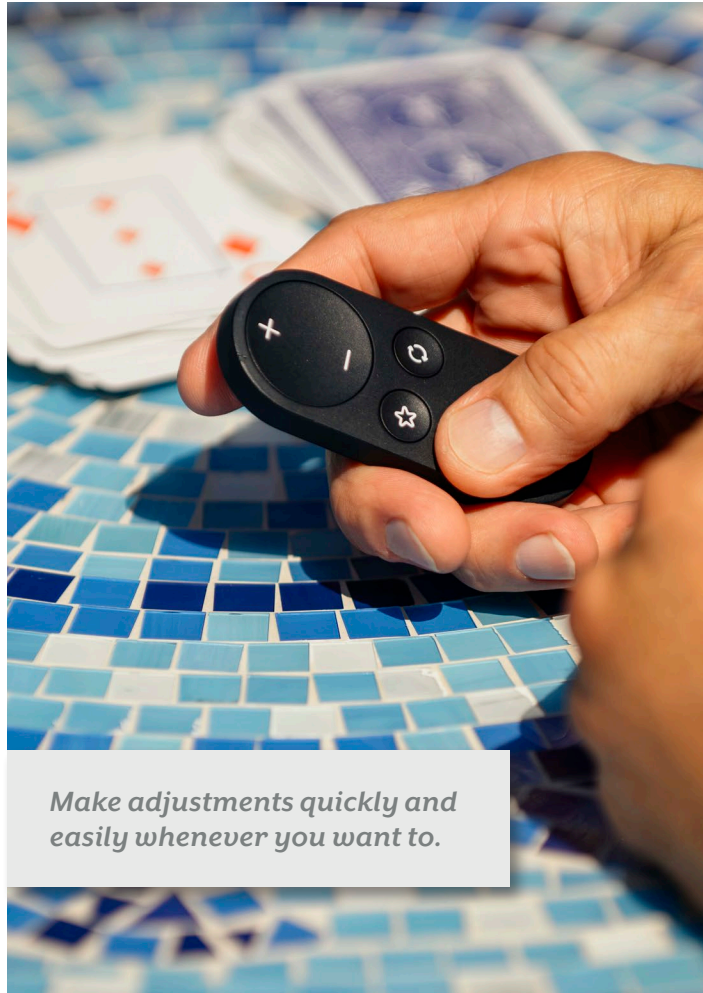

StarLink
Remote Control 2.0

Redesigned for maximum simplicity, the remote lets users easily control volume, change programs, and quickly access a favorite feature. Includes replaceable cell battery and lanyard.

Easily connect to your life.

Talk to your hearing care professional about finding the right accessories for your most important hearing needs.

Make adjustments quickly and easily whenever you want to.

StarLink Remote Microphone Plus

In noisy environments, easily stream to both ears from Bluetooth, Telecoil, FM or Line-In and enjoy your one-on-one conversations to the fullest.

StarLink Table Microphone

A multi-functional device designed to improve listening in group gatherings or noisy restaurants. It also works as a TV streamer or even a body-worn remote microphone.

StarLink TV Streamer

Easily stream audio from your TV or other electronic audio source directly to your hearing aids. It offers excellent sound quality, is simple to use, and supports both analog and digital input sources.

StarLink Mini Remote Microphone

Enjoy one-on-one conversations in noisy environments with our small, easy-to-use Mini Remote Microphone. Simply clip it to the clothing of the person you're talking to and enjoy the conversation.
