

Wireless Accessories

Discover our
innovative lineup.

A connected experience is an **expectation.**

Wireless accessories stream the sounds you love directly to your hearing aids.

Our accessories, paired with our wireless hearing aids, connect you to your favorite music, TV shows, and phone calls with superior sound quality.

Enabled with Bluetooth[®] technology, they are easy to pair and even easier to use.

"I put the Table Mic in front of a large family gathering and it helps clarify everything."

Daphne G.
Landscape designer

Compatible with **Omega AI** and **Edge AI** wireless hearing aids

StarLink Edge Remote Microphone

Small and rechargeable, this makes it easy to enjoy one-on-one conversations in noise by clipping it to a companion's shirt or placing it on a table. Instantly starts/stops streaming to your hearing aids when powered on or off. Also works as a remote control.

StarLink Edge Table Microphone

Ideal for larger seated gatherings, this rechargeable device lets you hear whoever is speaking by streaming their voice to your hearing aids. Instantly streams when powered on plus lets you stream other audio when placed near it.

StarLink Edge TV Streamer

Auracast™ ready device uses Bluetooth Low Energy (LE) Audio to automatically stream audio from a TV to your LE Audio-enabled hearing aids.

StarLink Edge LE Adapter

Easily connect your compatible phone, tablet, or computer to your LE Audio-enabled hearing aids for hands-free ease and high-quality streaming.

StarLink Remote Control 2.0

Easy-to-use device lets you control volume, change programs, and quickly access a favorite feature. Includes replaceable cell battery and lanyard.

Compatible with G Series AI and Genesis AI wireless hearing aids

StarLink Table Microphone

A multi-functional device designed to improve listening in group gatherings or noisy restaurants. It also works as a TV streamer or body-worn remote microphone.

StarLink Remote Control 2.0

Easy-to-use device lets you control volume, change programs, and quickly access a favorite feature. Includes replaceable cell battery and lanyard.

StarLink Remote Microphone+

Easily stream to both ears from Bluetooth, Telecoil, FM or Line-In enjoying one-on-one conversations in noise.

StarLink Mini Remote Microphone

Clip this to the clothing of the person you're talking to and enjoy one-on-one conversations in noisy environments.

StarLink TV Streamer

Easily stream audio from your TV directly to your hearing aids. Supports analog and digital input sources.
