

Launched in 2021, Starkey Cares is our public commitment to bring people together under the common bond of caring for one another. **The program consists of three core commitments** to our local communities in need, our veterans and active-duty military, and our world.

Commitment to our local communities in need

Starkey is committed to helping communities that are not able to afford hearing aids through our Better Hearing Program.

Commitment to veterans & active-duty military

Starkey supports veterans' organizations through sponsorships and partnerships to bring our heroes the best in American innovation.

Commitment to our world

Starkey's core value of caring for others is a universal commitment that we put into action through partnerships with global organizations.

Better Hearing Program

What is the Starkey Cares Better Hearing Program?

Starkey was founded on the principle of helping others and at the core of our culture is providing a more robust and equitable life experience to those who are hearing impaired. Put simply, we believe everyone deserves hearing health. This is why we created the Better Hearing Program, which is a program that provides hearing aids for only the cost of an application fee.

How to know if you qualify for the Better Hearing Program

- Go to **starkey.com/starkeycares** or call **(855) 686-2202** to find a Starkey Cares partner near you.
- Make an appointment to test your hearing and talk through your options for hearing health.
- If your Starkey Cares partner thinks you might qualify for the Better Hearing Program, you will need to complete an application. Please refer to the table that outlines the income limits for participation in the Better Hearing Program.
- After qualifying, you pay a \$300 application fee.
- Your Starkey Cares partner will determine and prescribe the hearing solution that best fits your needs and lifestyle.
