

Edge Mode+

The industry's first-of-its-kind intelligent, on-demand noise management and comfort feature — Edge Mode+ scans, adapts, and optimizes as the wearer changes environments or as the environment they're in changes.

Now available on all Aris AI and Audibel Vitality AI wireless styles, as well as Audibel Signature Series CIC R NW & CIC NW styles.

“Edge Mode just clears the environment. I can hear everything really clearly.”

Daphne G.
