The best just got better

We've pushed our industry-leading Hearing Reality Pro platform further, with:

Edge Mode

Just a double tap of the hearing aids delivers game-changing sound in the most challenging listening environments.

IntelliVoice **NEW**

This first-of-its-kind speech enhancement feature uses AI to provide an unprecedented experience for those with moderate loss of 50 dB HL or greater.

The industry's most complete line of rechargeables

Livio Edge AI 2400

Livio AI 2000 | 1600 | 1200 | 1000

No other manufacturer has a rechargeable lineup with this many styles, including:

- **The world's first 2.4 GHz custom rechargeable**
- **The world's smallest, most powerful rechargeable BTE***

*Starkey Competitive Benchmarking Study 2019

An unmatched fitting experience on every level

New Inspire X features make it easier to get a customized, accurate fit, including:

Live Sessions

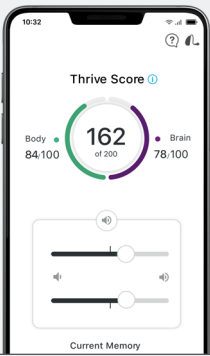

This synchronous Hearing Care Anywhere remote programming feature leverages live video chat to enable and improve remote care.

REM Target Match

Auto Real Ear Measurement speeds up fitting and leaves more time for counseling.

Multiflex Tinnitus Pro

Uses a new shaping algorithm and custom fit tool to deliver more personalized maskers for each patient's unique needs.

thrive

We've added new set-up screens and connectivity enhancements to make our Thrive Hearing Control app easier to use and more robust than ever.

Fall Alert
Is now available in Basic Mode.

Another Starkey first Find My Phone

Using their hearing aids and Thrive Assistant, wearers can now locate their lost or misplaced phone by having it ring. No other hearing aid offers this capability.

thriveCare

The world's first and only hearing app for caregivers, Thrive Care provides peace of mind by letting Livio Edge AI patients share certain Thrive app information with whomever they choose.

Redefining what a hearing aid can do

The only hearing aid to be named a TIME Best Invention.

2.4 GHz Accessories

Connect patients wirelessly to their world with our versatile line of accessories, including our popular Table Microphone.

SoundLens iQ [Synergy]

Synergy 900Sync

Give patients personalization and control with our Muse iQ and SoundLens Synergy iQ custom hearing aids and wireless SurfLink accessories.
