

ALL NEW

# EDGE AI

The edge of hearing innovation.

Starkey Neuro Processor 2.0 features a unique onboard Deep Neural Network (DNN) accelerator engine that functions like the cerebral cortex of the human brain.

Utilizing complex pattern recognition with advanced machine learning technology, it adapts to more listening situations than ever before.

Universal Bluetooth® Low Energy (LE) Audio

# GENESIS AI

No rest for the best

Built off the industry's most advanced processor technology—which includes a unique on-board Deep Neural Network (DNN) accelerator engine—our Neuro Sound Technology enables wearers to hear soft sounds without noise, distinguish words and speech more naturally, and significantly reduce their listening effort.

Our newest rechargeable hearing aids are **waterproof\***

Edge AI, Starkey Signature Series, and Genesis AI rechargeable hearing aids are waterproof!

- Built to be durable
- Reliable in any climate
- Keep wearers active without the worry

\*Up to 1m.

## Mobile apps

### My Starkey

Gives patients control over their Edge AI or Genesis AI hearing aids, plus the ability to get tips, track their health, and access intelligent features designed to simplify their lives.

Check phone compatibility with this QR code.

### HEAR Share

Provides peace of mind for caregivers and more independence for hearing aid wearers.

Apps may have slight differences depending on phone and/or hearing aid model.
