Audibel Neuro Processor

The industry's most advanced processor technology enables an onboard DNN, transparent sound quality, and unprecedented battery life.

TeleHear

Our complete, remote telehealth solution keeps you connected to your patients even when they can't reach your office.

Edge Mode+

Uses AI to let patients optimize sound quality on-demand for either clearer speech or improved listening comfort.

Telecoil

Default on RIC RT style. Optional for ITE R style.

My Audibel patient app
Gives patients control over their hearing aids, plus the ability to get tips, track their health, and access intelligent features designed to simplify their lives.

HEARShare caregiver app
Provides peace of mind for caregivers and more independence for hearing aid wearers.
