ADDITIONAL G SERIES AI WIRELESS FEATURES:

Directionality
Uses **Friendly AI** to identify your listening environment and automatically adjust settings for your best hearing experience.

Bluetooth® communication
Allows your hearing aids to connect to Bluetooth devices, like smartphones.

Tap into more control, greater connections

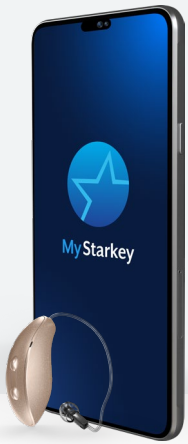

Enjoy more control over your wireless hearing aids plus extra features by pairing them to the easy-to-use **My Starkey app**.

Easily switch programs, adjust volume, stream calls, and more.

Download on the App Store

GET IT ON Google Play

Scan QR code to check compatibility and download the My Starkey app.

Always stay connected, never miss a moment

Wireless accessories allow you to stream voices or audio directly to your wireless hearing aids regardless of distance or background noise.
