

AUDIBEL

TRANSFORMATIVE TECHNOLOGY

Tailored for you.

ARIS^{AI}+

Expertly designed. One of a kind.

Audibel Aris AI+ custom hearing aids are personalized to fit your individual ear and lifestyle, so there's no limit to the confidence you'll feel or the connections you'll make.

From tiny and discreet, to compact with advanced features—you'll find your perfect match in our full line of hearing solutions, custom-fit to hide comfortably in your ear.

Paired with the guidance of an experienced hearing care professional, they're a smart choice for **improved hearing, your way.**

A smiling man with grey hair and a woman's profile in the foreground. The man is wearing a dark jacket and has a friendly expression. The woman's profile is visible on the left side of the frame, looking towards the man.

Intuitively clear for your unique ear.

Just as Aris AI+ custom hearing aids are crafted to fit *effortlessly* in your unique ear, they are engineered to let life's sounds unfold clearly and *instinctively* for your specific needs.

They're your automatic choice for better hearing:

- + Distinctive, clear, **authentic sound**
- + Intelligence that **understands** and **adapts** to your hearing situation
- + Designed to **enhance speech** and **reduce noise**—automatically
- + Edge Mode feature delivers **on-demand clarity** in unexpected listening conditions

Engineered
to endure.
Exclusively
for you.

Get custom-fitted with your best
hearing solution—then let its
long-lasting comfort, durability,
and battery power do the rest:

+ All-day comfort

+ Waterproof*
UP TO 1 METER

UP TO
+ 42 hours battery life

+ Modern design

tech shades.**

More choices for easy control and instant connections.

Discover more ways to enhance
your listening moments:

My Audibel app

Our custom **wireless** hearing aids are Bluetooth® enabled, so you can pair them to the My Audibel app for greater hearing control, streaming, health-tracking, and more.

T2 Remote app

Custom **non-wireless** hearing aids connect with the T2 Remote app, which conveniently lets you use your smartphone as a remote control to operate your hearing aids.

Wireless accessories

Our innovative wireless accessories enhance the functionality of custom wireless hearing aids to help you more easily engage with your world.

- + StarLink Edge LE Adapter
- + StarLink Edge Remote Microphone
- + StarLink Edge TV Streamer
(Auracast™ ready)
- + StarLink Edge Table Microphone
- + StarLink Remote Control 2.0
