VERSA-LAM LVL
Rimboard

Stable. Simple. Strong.

Boise Cascade® Versa-Lam® LVL Rimboard makes it easy to keep projects moving without compromising performance. Consistent sizes simplify handling and installation, saving time and resources on site. Made from Versa-Lam LVL, it offers superior strength for reliable lateral support and effective load transfer to the foundation. For areas with structural requirements like high-wind or seismic zones, it strikes the right balance of strength, stability, and ease of use for a high-quality floor solution.

VERSA-LAM LVL RIMBOARD ADVANTAGES

- Conveniently sized to the exact depth of BCI® and AJS® Joists
- One-step installation — simply nail and go
- Provides the stability needed for high wind and seismic areas
- High vertical and lateral load support without twisting or warping
- Added strength and durability for quality floor framing systems

Performance Under Pressure

Boise Cascade®
ENGINEERED WOOD PRODUCTS

Boise Cascade Versa-Lam LVL Rimboard is engineered for performance where it matters — delivering the strength and stability required in regions where high-wind, earthquakes, and other strong lateral forces are prevalent. Its added strength and stability can eliminate the need for squash blocks, helping simplify installation without compromising structural integrity. Versa-Lam LVL Rimboard helps provide quality results where building codes and the environment demand more.

THE BOISE CASCADE DIFFERENCE

With Boise Cascade, you get more than reliable engineered wood products — you get results backed by people and resources that support your success. For over 60 years, we've earned the trust of building professionals through our high-quality products, quick and dependable distribution network, technology solutions, and unparalleled support that help keep projects moving and customers satisfied.

- Full line of EWP solutions for single-family, multi-family and light commercial projects
- Reliable nationwide distribution network
- More than 60 years of proven performance
- Peace of mind with our limited lifetime warranty
- Industry-leading SawTek® automated saw system
- EWP product support from knowledgeable engineers
- Boise Cascade suite of software helps design, size and analyze projects
