Broken pipe call

Voice Assist (0:00): Hi, this is Ringo's Plumbing. I'm an AI assistant. How can I help you today?

Caller (0:05): Hi, I have a broken pipe, and water is going everywhere. Can you please send someone out as soon as possible?

Voice Assist (0:11): I can set up an urgent service call. What day and time would you prefer?

Caller (0:15): This afternoon – today would be great.

Voice Assist (0:18): Your request has been submitted, so the team can respond quickly. Is there anything else I can assist you with?

Caller (0:23): No, thank you.

Voice Assist (0:24): Thank you for calling. Goodbye.
