Voice Assist (0:00): Hi, this is Sparkle Marketing Group. I'm Lucy, a virtual assistant. How can I help?

Caller (0:05): Hi, my name is Tina Snow, and I'm looking to start some local service ads for my gardening business.

Voice Assist (0:13): Thanks for sharing that. Do you have any questions about our services?

Caller (0:16): Yes, I would love to hear more about some of your offerings.

Voice Assist (0:20): We offer a full suite of digital marketing services, including PPC management, SEO, paid social campaigns, email marketing, Amazon advertising, and web development. Is there anything else you'd like to know before I gather your information?

Caller (0:32): That's great. Please proceed.
