

Risk control services

We're your trusted partner in reducing risk

At EMC, we help you prevent losses before they happen—without adding extra costs to your premiums.

Our risk control experts get to know your business inside and out, helping to create safer workplaces and smoother operations.

With tailored evaluations and practical solutions, we focus on the risks that matter most to your organization. No matter your industry, our team is here to guide you every step of the way.

Here are some of the industries we serve:

- Breweries and wineries
- Construction
- Manufacturing
- Petroleum marketers
- Public entities
- Retail and services
- Schools
- Specialty
- Wholesale

Safety at your fingertips

Creating and maintaining a safe workplace is an around-the-clock effort. To help keep safety top of mind and at your fingertips, we provide a wide variety of online tools and on-demand trainings available whenever you need them. It's like having a dedicated safety specialist right in your pocket.

Safety briefs

Improve your safety meetings with these short safety talks, designed to help keep your employees informed and vigilant about workplace hazards.

Tech sheets

Access valuable insights with our wide range of tech sheets. From machine safeguarding to lockout/tagout procedures, empower your operation with timely and practical safety information.

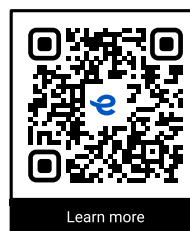

Safety program templates

Use our customizable templates to keep your operations running smooth and your employees safe.

Vendor partner resources

Explore a wide range of resources available to you through our vendor partnerships. These partners provide online safety training, fleet safety resources, drug testing and awareness, background screenings, and more—all there for you to take advantage of!
