

X-Treme Hand Film

Inteplast's X-Treme™ hand film (HSB) is one of the films in our High Performance Film Series. A truly unique hand film that combines reduced neck down performance while maintaining excellent puncture resistance and yield.

Features & Benefits

- Outstanding strength in the transverse direction
- Excellent strength and stretch ratings
- Uniform gauge profile
- Excellent puncture resistance
- Great optical clarity for electronic scanning
- Reduced unwind noise
- Ideally suited for difficult loads

X-Treme Hand Film
