

TECO™ Twisted Paper Handle Bags

Inteplast Tamper-Evident Carry Out paper bags are suitable for various foodservice operations. The adhesive strip is the ideal solution for safety and security when transporting contents and making deliveries. Simply remove the white laminate on the inside of the bag and press together to seal the bag. Restaurants can pack their orders with pride and peace of mind. We can custom size and print on white and kraft color options.

Features & Benefits

- Adhesive strip to securely seal the bags
- Customize size to your preference
- Strong twisted handles for easy transportation
- Safe for food contact and storage
- 100% recyclable

Applications

- Restaurants / QSR
- Catering Facilities
- Hospitals
- Delis
- Bakeries
- Supermarkets
