Re: Letter of FDA Compliance

Product: Latex Gloves

Dear Valued Customer:

We do hereby inform that we adopt and follow the U.S. Food and Drug Administration's Good Manufacturing Practice Guidelines in our gloves manufacturing processes. The formulations and ingredients that we use in producing our gloves for Latex Powder gloves and Latex Powder free gloves comply with FDA Regulation Title 21 CFR Section 121.106 for food and cosmetic applications.

Thank you for being an Inteplast Group customer.

Sincerely,

Joe Wang
