

# Peak Hand Film

Inteplast's Peak™ hand film (HCB), one of the films in our Premium Value Films Series, is designed to securely unitize irregularly shaped and difficult-to-wrap loads. With cling on both sides, this three-layer, cast, co-extruded film offers superior holding force for even the toughest loads.

## Features & Benefits

- Retains a high holding force
- High tensile strength and stretch
- Excellent stretch on difficult loads
- Consistent quality and gauge control
- Excellent value for your film dollar
- Dependable performance
