PRODUCT OVERVIEW

The Ethereal MHY-LHDME-DB 48 Gbps HDMI® (.5, 1, 1.5 & 2 meters) or 24 Gbps (3, 4 & 5 meters) provide all of the High Speed Performance that the Integrator needs to meet his customers' needs in a convenient Dispensing Box. Each Dispensing Box comes with a pre packed quantity of cables. These thin and flexible cables support ARC, eARC, HDR, Dolby™ Vision, Atmos and more. Each Ethereal MHY-LHDME-DB cable is terminated with our unique multi shielded, 24 K Gold Plated Grip-Lox connector for an assured connection between your devices.

- Supports 4K@60Hz HDR
- 24K gold-plated Grip-Lox™ connector for securing cable to source and display devices
- Ultra flexible slim profile cables excellent for use when added flexibility is needed
- Multi-layer shielding
- Audio Return Channel (ARC/eARC)
