### **Limited Product Warranty:**

Ethereal Home Theatre, LLC warrants this product to be free of material defects for a period of: 3 years for the PR-R8U2K UPS device & 1 year for the included batteries. If the product fails during the warranty period, Ethereal Home Theatre, LLC will, at its option: (1) Repair the product in a reasonable time period, (2) Replace the product with the same model (or a successor model with the same or substantially similar features), or (3) Refund the purchase price. This Warranty applies only to an original purchaser of the product who provides proof of purchase at the time a claim is made.

### **Conditions and Limitations:**

1. Proof of purchase is required.
2. Damage caused by accidents, abuse, misuse or modification of the surge suppressor will render this warranty null and void.
3. Transient Voltage Surge Suppression devices using MOV (Metal Oxide Varistor) technology are designed to sacrifice themselves to protect the connected equipment. The proper functioning of this surge suppressor during a catastrophic surge event like lightning may result in the depletion of the unit's protection capabilities. This is not a defect in design, material, or workmanship.

## EXCLUDED ITEMS
